you to join

The Classics Book Club

Do you love great literature or wish to discover it?

Some authors have captured the imaginations of generations. Find out more about the lives and works of these authors as we work our way through classic literature. What made them popular? Why do we really think about them? What do the books reveal about human nature?

Get more out of your reading by coming along to The Classics Book Club and meet other like minded people who also enjoy reading.

The first topic for discussion will be The Brontes: works by sisters Anne, Emily and Charlotte. We will have a special collection for Book Club members to borrow from starting in August. The general collection also has titles of interest.

If you would like more information about The Classics Book Club, please fill out the form below and return it to the front desk of your library. For further enquiries please contact Jasmine on 6393 8125.
